In Memoriam

At this Town Meeting it is fitting that we, the residents of Eaton Township, should pay tribute to Winfield S. Head who died last November.

For many years "Winnie" served the town as Selectman, Treasurer, a member of the School Board, and, more conspicuously, as Moderator of the past several Town and School meetings. His sense of fairness and justice; his knowledge of town affairs and ability to interpret them; his keen wit and humor — all will be remembered, and missed.

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Eaton in the County of Carroll in the State, qualified to vote in Town affairs:

You are hereby notified to meet at Town Hall in said Eaton on Tuesday, the ninth day of March next, at ten o'clock in the forenoon to act on the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same including Town Officers' salaries, Town Officers' expenses, Election and Registration expense, Town poor, Fire department, Highways and bridges, Town maintenance summer and winter and general expense, Street lighting, Libraries, Old age assistance, Insurance, Vital statistics, Interest, Town road aid.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of \$25 for the Lakes Region Association.

5. To see if the Town will raise \$150 to run the town line between Eaton and Madison.

6. To see if the Town will vote to raise and appropriate money for the purpose of buying forest fire hand tools. The sum recommended is \$100.

7. To see if the Town will vote to change the place of Town Meeting from Town Hall to the Eaton Schoolhouse.

8. To see if the Town will vote to reduce the number of Trustees of the Trust Fund from three to one, to bond said Trustee and pay the sum of ten dollars annually for service rendered. This change has the approval of the State Tax Commission.

9. Polls will close at six o'clock.

Given under our hands and seal, this twenty-third day of February in the year of our Lord nineteen hundred and fifty-four.

The large increase in total payments for road maintenance over appropriations for 1953 was due to flood money received from the state as an outright gift to towns that needed aid.

REPORT OF FOREST FIRE WARDENS

The fire season of 1953 was not a very pretty picture. It started out in fine shape with plenty of rain during the spring months. The month of June was the end of the rains and then a period of dry weather. During June we had quite a few lightning storms without any rains. On June 21 and 22 we had one of these storms that started over 43 fires in this state including the Mt. Shaw fire.

People burning without a permit or burning in unsafe places or at unsafe times were the cause of our largest number of fires. It is hard to believe why people do this when they have the expert advice of their town warden who is as close to them as their telephone. Your town Forest Fire Warden is not going to stop you from burning your rubbish or your old fields, but he wants you to burn in a safe place and at a safe time. You must remember it is unlawful to burn without a permit from your Forest Fire Warden.

We have inherited a tremendous responsibility in the priceless treasure of our natural resources. To keep these natural riches we must guard them from all destructive agents. The foremost among these agents is Fire — man's best servant but worst enemy.

REMEMBER—ONLY YOU CAN PREVENT FOREST FIRES!

Number of fires, none; acres burned, none; permits issued, 14.

THE TOTAL COST OF BUILDING AS OF JUNE 30, 1953

Concerning the cost of the following items: land, basement and foundation, building materials, equipment, and plumbing supplies total labor costs of construction is \$19,417.16.

The above recapitulation does not show the donation of stumpage donated by Mr. Conrad and Leslie Snow which was of inestimable value in the construction of the Eaton Elementary School.

The School Board wishes at this time to acknowledge the many gifts of labor and materials so generously given by many to make our school possible.

The School Board of Eaton

REPORT OF SCHOOL NURSE

I hereby submit my report of the health program in the Eaton school for the year 1952-1953.

Throughout the year the physical defects found in the school children have been corrected or are still under treatment. Since all corrections are done out of town, I appreciate the efforts of the parents in getting the children to Dover, Laconia, Conway, and Portland for the care of these defects.

The dental program has made splendid progress during this year with thirty-three pupils receiving Fluorine treatments.

This Fluorine treatment is most effective and can help us in our fight against tooth decay. However, there are several cases in which cavities were present at the time of treatment, thereby lessening its effectiveness. Parents of these children are urged to co-operate with us by making sure that all defects are corrected as soon as possible.

To correct all immediate defects and to continue our Fluorine treatments every three years will insure better teeth for our future citizens of Eaton.

Respectfully submitted,

JULIA T. COX, R.N.

School Nurse
